What is it?

The KWIC INDEX TO THE GOVERNMENT OF ONTARIO, 1978/79 is an official government publication.

With more than 700 pages, it gives you a complete description of every program and service offered by the Ontario Government, including the Ministry responsible and the phone number and address to contact for more information.

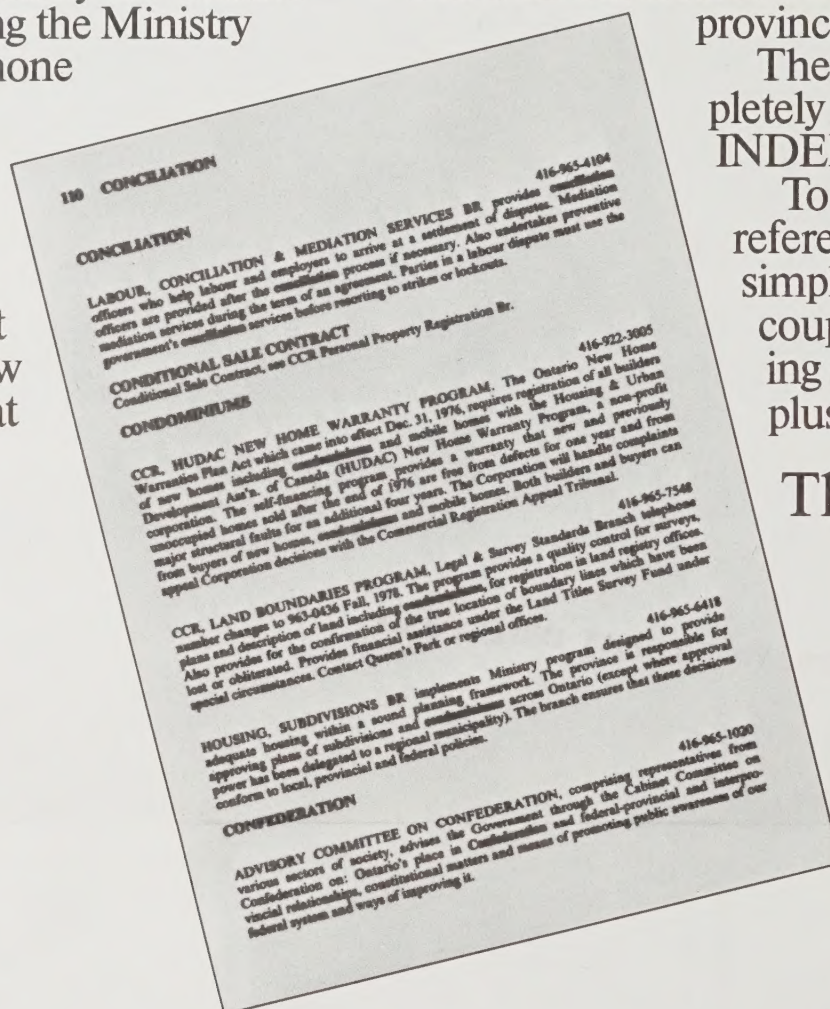

KWIC stands for Key Word in Context, which means that you don't have to know the exact name of what you're looking for to learn all about it.

The KWIC INDEX also lists Ministries responsible for Government Acts – from the Abandoned Orchards Act to the Wharfs and Harbours Act, and everything in between. Plus, it gives you a complete listing of all Ontario Government offices located throughout the province.

The new and completely revised KWIC INDEX is now on sale.
